

3rd Annual D'ArtShop Challenge 2019

Birdhouse Renovation

All D'ArtShop Members are invited to renovate a tiny birdhouse into an amazing new structure. If you choose to be a "contractor" for the 2019 challenge you must pick one of the following renovation options.

- **Rustic Home** - The client relishes nature and the rural life. Seeks the use of elements "as is" without too much fuss. Natural decor is a breath of fresh air!
- **Modern Residence** - The client needs all things contemporary. Is aware of new trends and loves sleek design. On the cutting edge is where they thrive!
- **Unconventional Studio** -The client prefers to go their own way. Likes to be creatively unique, not following the crowd. Ordinary just won't do!
- **Opulent Estate** - The client enjoys the best, as their money is most plentiful. Believes more is always better and big isn't big enough. Glamour and lavishness rule!
- **Urban Church** - The client insists on a welcoming environment for all in the city. The Word of God is taught and it's principles practiced. (Mat 5:13) "Ye are the light of the world." is believed!

These birdhouse renovations will be used as a decorative item for your clients and should meet their aesthetic sensibility and/or way of life. All participants will receive a tiny 5" tall wooden birdhouse. You may attach your house to another piece of wood if your design requires more ground space. Feel free to deconstruct or make additions to the original structure. You can even modify the shape. Do whatever it takes to make your client happy!

All birdhouses must meet the following criteria:

- Be able to sit firmly on a flat surface.
- Incorporate at least 3 different textures.
- Have at least 2 added 3-D elements on the house itself.
- Be an original design.
- Include a special surprise renovation feature suited for the client.

Presentations and Awards

Jan 26, 2019 - Bring completed birdhouses to First D'ArtShop 2019. All birdhouses should be covered so as not to be revealed until your turn at Show & Tell. Secret casting of ballots for Members' Choice Awards, 1st, 2nd & 3rd place will take place. In February Awards winners will be revealed and awards presented.
